

Deborah Allen

Treasurer – 2009-2010

Deborah Allen is an employee of Pioneer Title, an awesome title insurance agency located in Virginia Beach. One thing most people don't know is that although she is commonly known as Debby (and quite anal about you spelling it with a 'y') she much prefers Deborah to Debby. Deborah has over twenty-five years of experience in the real estate industry. She has worn the hat of realtor, title examiner/abstractor, underwriter and loan closer. At Pioneer, Deborah specializes in commercial real estate projects but can be found training new employees (when there was such a thing), typing binders, conducting a complex title examination or a real estate closing. A native of Denver, Colorado she loves the outdoors and is passionate about getting outside and enjoying God's creation. Mother Earth, gardens, and healthy holistic living all have a special place in Deborah's heart. She has a dry sense of humor with a talent for building rapport, establishing relationships and maintaining long term friendships. Deborah is a lover of words and loves writing and public speaking. Spirituality is primary in her life whether she is singing and dancing to the glory of God, performing community service with her church or sorority, or simply helping and encouraging others. People who know her intimately describe her as a survivor due to the many hardships she has overcome. The first time you meet her you will be greeted with an infectious smile as you glimpse her creative juices readily displayed in her love of color, jewelry and fashion. She is an extremely hard worker who tends to think out of the box while multi-tasking, a must in the title insurance industry. Deborah is a loving soul that takes pride in being a great mom. She is an enthusiastic supporter of the Virginia Land Title association and has served on committees, as a committee chair, member of the Board of Directors and currently as the treasurer. She feels everybody that works in this marvelous profession has something to contribute to VLTA. Deborah looks forward to the day when her service to the title industry is over and she can travel the world.
