### **President – 2008-2009**

VP, Agency Representative for Chicago Title and Ticor Title Insurance Company. I have enjoyed growing up in the title industry with 20 years of experience. I have thoroughly enjoyed being on the board and meeting such wonderful people.

Spending time camping with my family as well as boating during the right season helps me to reset. My special hobbies are scrapbooking and shopping. As I have served on the local PTA board for six years as Dance Coordinator, it has kept me in the loop with local school business as well as school needs for raising funds. Each day is very important to end with my family as we share a meal and pray together.

This is me.
